Topics of exemplary practical work

Sl. Nº	Topic of practical (seminar) work		
1.	Concept of Business communication		
2.	Communication as a socio-psychological mechanism of business communication in professional activities.		
3.	Social perception as an aspect of business communication		
4.	Communication as an exchange of information		
5.	Written forms of business communication		
6.	Oral forms of business communication		
7.	Interaction as an aspect of business communication		
8.	Interaction during the implementation of project activities		
9.	Conflict in business communication		
10.	Features of intercultural communication in multinational groups (organizations)		

5. Organizational and Pedagogical Conditions

5.1. Educational Technologies Used for Competences Formation

Practical lessons are hold by realization of the method based on active training: problem areas are determined, groups are formed. The following aims are pursued in the process of practical education: use of definite disciplines knowledge and creative methods in solving problems and decision-making; students' skill-building of teamwork, interpersonal communication and development of leadership skills; consolidation of the basic theoretical knowledge.

5.2. Students' Manual for the Course Study

Learning the course students are recommended to fulfill the following positions:

- 1. Systematically learning of the discipline.
- 2. In preparation for practical (seminar) work it is recommended to study the basic literature and be familiarized with additional sources of information recommended by the lecturer.
- 3. In the process of studying the topic it is desirable to develop a conspectus, where the basic concepts, categories, patterns are recorded, and issues for discussion during classroom work are also noted. After learning one of the course units it is recommended to reproduce in memory the basic terms, definitions, notions of the unit.
- 4. Special attention should be paid to the implementation of individual complex tasks for self-work.

6. List of Teaching Materials and Information Supply for Students' Self work in the Discipline

6.1. Paper-based courseware

Sl.№	Bibliographic entry (author, title, mode of publication, place, publishing house, year of publication, number of pages)	Number of copies in the library
	1. Basic literature	
1.	Gamble T. K. Communication Works / T. K. Gamble, M. Gamble New York: McGraw-Hill Publishing Company, 1990.	1
	2. Additional literature	
	2.1. Educational and scientific literature	
1.	Perlova I.V.Professional communication for success of professional communication=Профессиональная коммуникация для успеха, или Успех в профессиональной коммуникации : tutorial / I.V. Perlova Perm: PNRPU Publishing House, 2018.	5
	2.2. Standardized and Technical literature	
	Academy of Management Journal Academy of Management, 1958 -	
	Business Communication Quarterly SAGE Publishing, 1969 -	
,	Harvard Business Review Harvard Business School Publishing, 1922 -	
	Journal of Business Communication SAGE Publishing, 1963 -	
	3. Students' manual in mastering discipline	
	Not used	
	4. Teaching and learning materials for students' self work	
	Not used
